Gentlemen:

I am writing because I am opposed to the workplace smoking regulation proposed by OSHA. I have owned my own business for a number of years and have 2 employees.

I always thought America was a free country. You are taking our freedom away if this proposed regulation is passed.

You should be concerned about other issues instead of worrying about this.

Very truly yours,

Kenneth D. Gardner

P.S. TOBACCO WAS HERE BEFORE OSHA OR ANY
OF THE POLITICIANS WE HAVE NOW. THE GOVERNMENT
ALREADY TELLS US WHAT-WHERE-WHEN + HOW MUCH TO PAY NOW
WHAT IS COMMUNISM

WHAT IS FREEDOM + WHERE

?
